

Find Your Perfect Vape with IVG – Shortfills, Nic Salts & Disposables

Looking for a vape brand that offers great flavour, premium quality, and options to suit every style of vaping? **IVG** is one of the UK's most trusted names in vaping, offering a wide selection of products to match your needs—whether you're into custom e-liquids, a smoother nicotine experience, or the convenience of a disposable device.

IVG Shortfill E-Liquids – Mix It Your Way

IVG Shortfills are perfect for vapers who like to adjust their nicotine strength. These larger, nicotine-free bottles give you the flexibility to add nic shots based on your personal preference. Whether you enjoy a light fruity flavour or a richer dessert profile, there's a Shortfill flavour waiting for you in the IVG range.

These e-liquids are crafted using high-quality ingredients and offer a smooth inhale with consistent vapour production. From summer fruits to classic sweets, you're guaranteed an enjoyable experience.

Nic Salts – Smooth Satisfaction

If you prefer a higher nicotine level but want to avoid a harsh throat hit, **IVG Nic Salts** are an ideal choice. Designed for quick nicotine absorption, they're perfect for ex-smokers or anyone who needs a stronger hit throughout the day.

What makes [IVG](#) Nic Salts stand out is their smooth delivery and cooling sensation. Available in multiple flavours, these e-liquids work best in low-wattage pod systems or MTL (mouth-to-lung) devices, offering a compact yet satisfying vape.

Disposable Vapes – Simple, Flavourful & Travel-Friendly

For vapers who value ease of use, **IVG's Disposable Vapes** provide instant satisfaction. No setup, no charging, and no mess—just open the pack and vape. These are ideal for beginners or for experienced vapers who want a backup device while on the move.

- **IVG Bar Plus** – Longer battery life and more puffs
- **Diamond Bar** – Elegant design with rich flavour options
- **Crystal Bar** – Advanced mesh coil technology delivering up to 600 puffs

Each model is designed with portability, convenience, and strong flavour in mind.
