## What Does a Medical Assistant Do in a Clinic?

If you're asking, “**What does a medical assistant do in a clinic?**”, the answer involves a blend of clinical support and administrative work that keeps healthcare practices running smoothly.

### Core Medical Assistant Duties include:

- Taking **vital signs** (temperature, blood pressure, etc.)
- Preparing patients for exams
- Assisting doctors with **minor procedures**
- Performing basic **laboratory tests**
- **Managing electronic medical records (EMRs)**
- **Scheduling appointments** and coordinating follow-ups
- Handling **insurance billing** and documentation

These key responsibilities ensure a seamless and compassionate healthcare experience for patients while supporting the clinical team.

## Become a Certified Medical Assistant Palm Desert:

While not mandatory for all roles, completing **Medical Assistant certification** is highly recommended. It boosts your credibility and increases job opportunities.

If you're researching **how to become a certified medical assistant**, here's the basic path:

1. Complete an accredited **Medical Assistant training** program
2. Gain hands-on experience through externships
3. Pass a national certification exam such as **CMA (AAMA)** or **RMA (AMT)**

Looking for **best medical assistant training programs near me**? Choose one that includes hands-on clinical experience and prepares you for certification. At PDRE, we value both formally trained and experienced medical professionals.

## Understanding Medical Assistant Responsibilities in a Hospital:

While PDRE primarily operates clinical settings, you may encounter roles similar to hospital-based work. If you're curious about **medical assistant responsibilities in a hospital**, here's what that can look like:

- Supporting emergency response teams
- Assisting in **IV hydration therapies** (with our Replenish 360 division)
- Helping with **triage** and patient stabilization
- Monitoring patients during minor in-house procedures
- Working closely with nursing and physician teams

Such experience can prepare you for more advanced or specialty roles in healthcare.

## **Explore Specialty Roles: Dermatology, Cardiology, Pediatrics & Orthopedics:**

PDRE offers incredible opportunities for those interested in **Medical Assistant in Dermatology**, **Medical Assistant in Cardiology**, **Medical Assistant in Pediatrics**, and **Medical Assistant in Orthopedics** roles.

### **Medical Assistant Dermatology:**

You'll assist dermatologists in skin evaluations, biopsies, acne treatments, and cosmetic procedures like chemical peels and microdermabrasion.

### **Medical Assistant Cardiology:**

Work includes preparing patients for EKGs, assisting in stress testing, and tracking heart-related data and vitals.

### **Medical Assistant Pediatrics:**

From administering vaccines to calming nervous little patients, this role helps pediatricians provide family-centered care.

### **Medical Assistant Orthopedics:**

Support orthopedic doctors with fracture care, sports injuries, physical rehab coordination, and more.

By applying for [Medical Assistant in \[specific specialty\]](#), you can align your passion with your profession.

## Searching for “[Medical Assistant Near Me](#)” in California?

If you've been searching online for "Medical Assistant near me" or "Medical Assistant Palm Desert", PDRE is your ideal match. Our headquarters are located right in Palm Desert, CA, with services extending across neighboring cities like Rancho Mirage, Cathedral City, and La Quinta.

We offer both on-site and hybrid roles. Whether you prefer a **clinical office** or want to support **off-site community events** and mobile clinics, we have openings that match your lifestyle and preferences.

## Flexible Work Options & Medical Assistant Salary:

We understand how important work-life balance and fair compensation are.

### PDRE offers:

- Entry-level pay from **\$16–\$17/hr**
- Certified or experienced roles at **\$18–\$20/hr** or more
- Specialty roles with premium compensation
- **Instructor positions** up to **\$45/hr** as an independent contractor
- Full-time, part-time, per diem, and **contractual** flexibility
- Day, evening, and **weekend shifts available**

Whether you're a new graduate or a **Certified Medical Assistant**, we tailor opportunities to your availability and career path.

## Why Work with PDRE?

PDRE isn't just another employer—we're an education-driven organization with a passion for excellence and patient-centered care. By joining our team, you'll work in a supportive environment where you're encouraged to grow both professionally and personally.

## We Offer:

- A professional yet friendly work culture
- On-the-job **Medical Assistant training**
- Ongoing **continuing education opportunities**
- Diverse patient exposure
- Access to IV therapy practice and education through **Replenish 360**
- Opportunity to work at **Allure A Medically Directed Spa** in aesthetics
