What You Get with Easy Upsell

We've designed the app with everything you need to maximize revenue per customer while remaining easy to use.

Trigger Upsells

Upsell a specific product based on what is already in a buyers cart.

Price Range Upsells

Upsell a specific product based on the amount you know a customer is willing to spend!

Catch-All Upsells

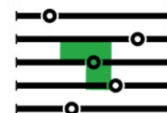

Target any cart without other upsells assigned & upsell a catch-all offer!

A/B Testing

Analytics & insights

Post-Purchase Upsells

Test alternative Pop-Up Headlines,
Pop-Up Texts & Offers for each
upsell for maximized order values!

Tracks Impressions, Revenue,
Conversions & Conversion Rate for
every upsell to better optimize!

Get customers to their purchase as
quickly as possible AND THEN
upsell them post purchase!
