About Us

Pinloader is a fast, safe, and totally free online tool for downloading Pinterest videos, GIFs, and audio in high definition. With no account required, you simply copy a Pinterest link, paste it into Pinloader, and hit download — that's it. We built Pinloader to make saving your favorite Pins easy, without redirect ads or complicated steps. Whether you're using a phone, tablet, or computer, our service works smoothly across all devices. At its core, Pinloader is driven by simplicity, speed, and a deep respect for your privacy.
