About us

GAMCA Online Services is a dedicated platform that simplifies booking medical examinations required for visa processing to Gulf Cooperation Council (GCC) countries. We help applicants schedule their GAMCA medical check-ups online, assisting with appointment booking, slip generation, and guidance through the pre-departure health screening process. Our service connects users with authorised medical centres across India for required physical, blood, and X-ray tests, saving time and effort by making the procedure accessible and convenient.

Our Services

- **Gamca Medical for Oman**
- **Gamca Medical for Bahrain**
- **Gamca Medical for Kuwait**
- **Gamca Medical for UAE**
