

## Pinehurst Course Map- Complete Guide to All Pinehurst Golf Courses

Pinehurst Resort is one of the most iconic golfing destinations in the world, often referred to as the Home of American Golf. Located in North Carolina, Pinehurst is famous for its rich history, championship pedigree, and beautifully designed courses. For golf lovers, understanding the [Pinehurst Course Map](#) is essential to fully appreciate the scale, layout, and uniqueness of each course. Whether you are planning a visit, studying course designs, or looking for premium golf artwork, this guide covers everything you need to know.

### Understanding the Pinehurst Course Map

The **Pinehurst Golf Course Map** provides a comprehensive overview of all the golf courses within the Pinehurst Resort area. With nine world-class courses, each offering its own character and challenges, the map helps golfers visualize the resort layout, course distances, routing, and key features.

From legendary championship layouts to scenic resort courses, the **Pinehurst Golf Map** showcases how thoughtfully the courses are placed across rolling sandhills, natural landscapes, and classic Southern terrain.

### How Many Golf Courses Are at Pinehurst?

Pinehurst Resort is home to **nine exceptional golf courses**, numbered No. 1 through No. 9. The **Map of Pinehurst Golf Courses** clearly outlines each course's location and relation to the main resort village.

Here's a closer look at each course highlighted on the Pinehurst Course Map:

..

## Pinehurst No. 1

Designed as a welcoming introduction to Pinehurst golf, Course No. 1 features wide fairways, large greens, and a relaxed layout. It is ideal for beginners while still offering enough complexity for experienced players.

## Pinehurst No. 2 (The Crown Jewel)

The most famous course on the [Pinehurst Golf Course Map](#), Pinehurst No. 2 is a Donald Ross masterpiece and a frequent host of major championships, including the U.S. Open. Known for its iconic crowned greens and strategic design, this course is a must-play for serious golfers.

## Pinehurst No. 3

A shorter course with Ross-style greens, No. 3 is perfect for golfers who appreciate precision over power. The [Pinehurst Golf Map](#) shows its compact routing close to the main resort.

## Pinehurst No. 4

Modernized with bold shaping and striking visuals, No. 4 blends contemporary design with Pinehurst tradition. The map highlights its flowing fairways and water features.

## Pinehurst No. 5

Course No. 5 provides a strong test with elevation changes and strategic bunkering. On the [Pinehurst Course Map](#), it stands out for its parkland-style feel.

## Pinehurst No. 6

Known for rolling terrain and demanding approach shots, No. 6 offers dramatic elevation shifts. The map helps players understand its unique topography.

## Pinehurst No. 7

A quieter and more secluded course, No. 7 features natural surroundings and a peaceful playing environment. The [Pinehurst Golf Course Map](#) places it slightly away from the resort center.

..

## Pinehurst No. 8

Designed by Tom Fazio, No. 8 is known for pristine conditioning and scenic water hazards. The **Pinehurst Golf Map** clearly displays its expansive layout and modern design elements.

## Pinehurst No. 9

A Nicklaus Design, No. 9 offers a bold, strategic challenge with risk-reward opportunities. The course map showcases its visually striking holes and thoughtful routing.

### Why a Pinehurst Golf Course Map Is So Valuable

A detailed [\*\*Map of Pinehurst Golf Courses\*\*](#) is useful for more than just navigation. It helps golfers:

- Plan multi-day golf trips efficiently
- Understand course difficulty and routing
- Appreciate architectural design and history
- Choose courses based on playing style
