About us

At Hair Love India, we craft premium, handmade hair care essentials tailored for every hair type. Founded by Princa Rathi in Jaipur, we specialize in silk and satin bonnets, microfiber towels, heat caps, and styling accessories. Our products are designed to protect, nourish, and style your hair with love and care. Embracing the "Make in India" movement, each purchase supports a small business and contributes to the well-being of underprivileged families. Experience the love in every strand.
