About us

Learnees solutions pvt ltd is a forward-thinking EdTech company dedicated to transforming how people learn and teach. We provide a global live learning marketplace where trainers, institutes, and professionals can share their expertise through interactive online and offline courses. Our platform empowers educators to manage and promote their training easily, while learners gain access to high-quality, real-time instruction that boosts skills and career growth. At Learnees, we believe education should be flexible, accessible, and engaging, connecting passionate trainers with ambitious learners across the world. Our mission is to unlock opportunities and support lifelong learning for all.
