<i>Deliverables</i>	<ul style="list-style-type: none"> • Enumerate the specific outputs of the project. • Add as many bullet points as needed.
<i>Explorations & Decisions</i>	Describe the approaches considered, the decisions ultimately made, and why.

Project Timeline

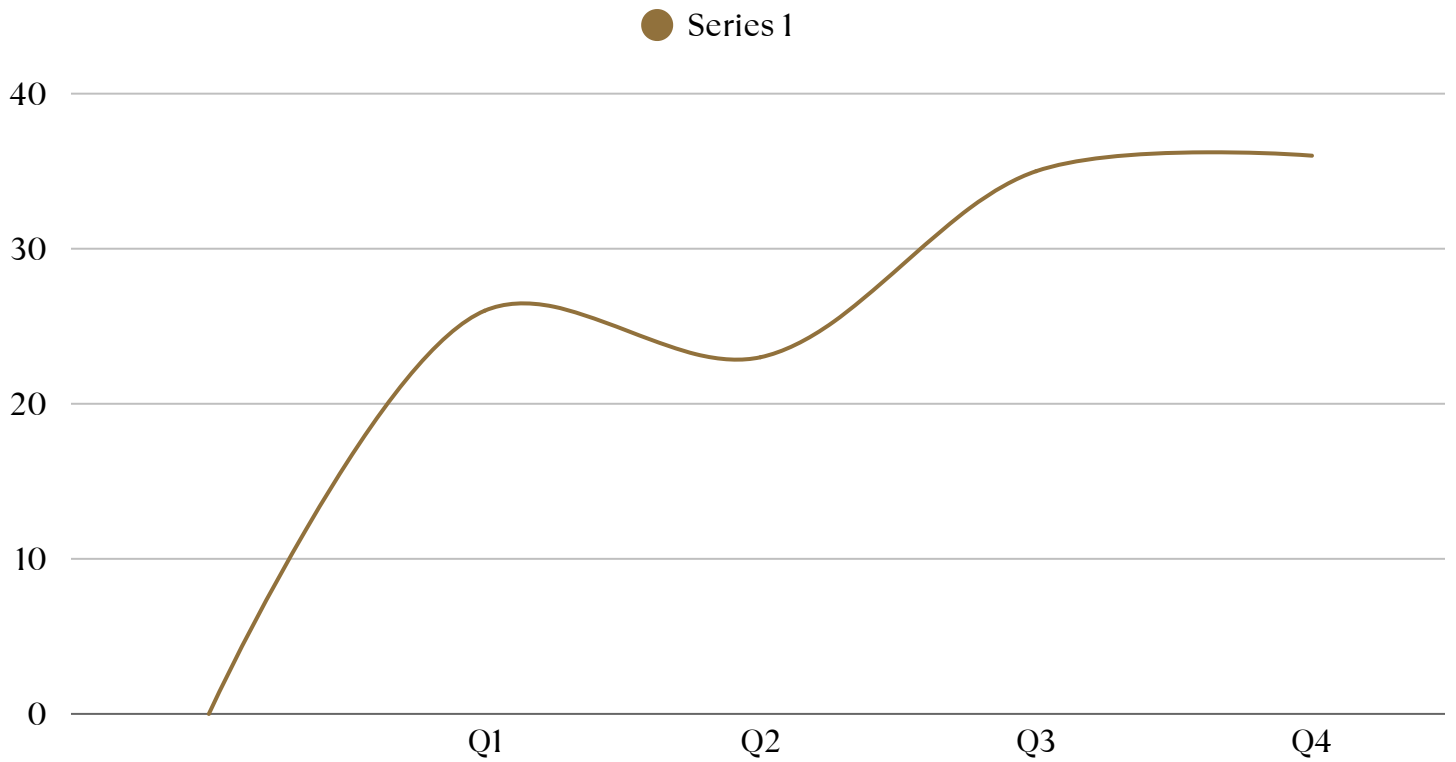

<i>Task or Deliverable</i>	<i>Owner</i>	<i>Date Completed</i>	<i>Notes</i>
Write the step or outcome here	@name	Mar 17, 2030	Include any relevant details

Conclusion

Project Outcomes

Describe the impact of the project here. You can use graphs or charts to illustrate quantitative results.

Give a title for the chart

Write a caption to explain the data

Recommendations

Take note of any learning points or final steps for the team.

Resources

- Link any essential documents or files here.
 - Alternatively, leave contact details for the reader to follow up with if needed.
-

Executive Summary

A high-level view of the research, its key findings, conclusions, and recommendations go here.

Highlight essential information in your Doc. Select + **(Add magic)**, choose **Highlight Blocks**, and use any available presets.

Introduction

Context of the research, such as why it was done and the conditions of the market when the study was carried out, goes here. Here's an example:

Savvy Marketing sought to understand evolving consumer behavior in the e-commerce space and identify emerging digital marketing trends that would support Studio Agatho's marketing strategies. With the shift toward digital platforms, it became essential to explore how consumers interact with brands and what marketing techniques are most effective.

Objectives

The key objectives of the research are enumerated here. Here are examples:

To analyze current consumer behavior and buying motivations.

Additional details relevant to the objectives go here.

To identify most effective techniques for consumer acquisition and retention.

Additional details relevant to the objectives go here.

Canva tip: Columns are great for this type of content.

Recreate this by selecting + (Add magic), then choosing Columns.

Methodology

Research type	Quantitative, qualitative, or mix
Data collection methods	Surveys, focus groups, interviews, observations, or other secondary data
Demographics	<ol style="list-style-type: none">1. Information about those who were surveyed2. Number of participants3. Other relevant demographic information
Start date	04 Jun 2030
End date	06 Aug 2030

Key Findings

Key Findings

Everything you need to know in just a few scrolls

Canva tip

Edit this Scrollable Design and bring your content to life! To add more to your Doc, press / (forward slash) on your keyboard and select **Scrollable Design**.

Conclusion and Recommendations

Add three to five actionable insights with corresponding recommendations

Key Insights

Invest in personalized marketing

Canva tip: Select ... **(More)** to add, delete, or merge cells.

Recommendations

Develop targeted campaigns using customer data to deliver personalized recommendations and offers via email, social media, and mobile apps.

Select **Border** and **Table Spacing** in the toolbar to make further changes.

Our Team

Aaron Loeb (CEO)

Olivia Wilson (CTO)

Dani Martinez (Head of AI & Data)

Juliana Silva (Product Manager)

Policy Title

Owner: Department

Effectivity date: Jun 1, 2030

Policy overview

What is this policy?

Write 1-2 sentences explaining what this policy covers. Be clear and concise about the main topic or subject matter.

Why do we have it?

Explain in 2-3 sentences why this policy is important. What problem does it solve? What value does it provide to employees and the organization?

Applicability

List who this policy applies to. Be specific about employee types, departments, or roles.

Included departments	Excluded departments
<ul style="list-style-type: none"> • ✓ Employee type/group that policy applies to • ✓ Another employee type/group 	<ul style="list-style-type: none"> • ✗ Employee type/group that is excluded • ✗ Another employee type/group

Policy requirements

List the key rules and requirements in numbered format. Each requirement should be clear, actionable, and easy to understand.

Rule 1

Explain what employees must do or not do.

Rule 2

Be specific about expectations.

Rule 3

Explain the requirement clearly.

Rule 4

Include any relevant details.

Rule 5

Continue adding rules as needed.

Rule 6

Each rule should stand alone.

Rule 7

Each rule should be easy to reference later.

Rule 8

Write a short description about this rule here

Tips for writing rules

- Use simple, direct language
- Focus on what employees should DO (not lengthy explanations)
- Be specific about standards and expectations
- Include any relevant timeframes or thresholds

Procedures

Provide step-by-step instructions on how to comply with or implement the policy. Break complex processes into simple, numbered steps.

Steps

- | | |
|---------------|--|
| Step 1 | First action employee needs to take. Include where to find forms, who to contact, etc. |
| Step 2 | Next action in the sequence |
| Step 3 | Continue with logical steps |
| Step 4 | Final step in the process |
| Step 5 | Add more steps as needed. |

Non-compliance

Explain clearly what happens if employees don't follow this policy. List consequences in order of severity.

Violation level	Description	Consequence	Timeframe
First violation	Describe what constitutes a first-time or minor violation	Action taken - e.g., verbal warning, coaching, documented conversation	Effective immediately / within X days
Second violation	Describe what constitutes a repeat violation	Escalated action - e.g., written warning, performance improvement plan	Effective immediately / within X days
Third violation	Describe what constitutes continued non-compliance	Further escalation - e.g., suspension, loss of privileges, final warning	Effective immediately / within X days
Serious violation	Describe what constitutes a severe or intentional violation	Immediate severe action - e.g., termination, legal action, suspension	Effective immediately / within X days

Appeal process: If applicable, explain how employees can appeal disciplinary actions - who to contact, timeframe, etc.]

Support available: Include 1-2 sentences offering help - e.g., "If you're having difficulty complying with this policy, contact your manager or HR for support and guidance."

Frequently asked questions

Question	Answer
Common question	Brief, clear answer
Another common question?	Brief, clear answer
Third question?	Brief, clear answer
Fourth question?	Brief, clear answer

Contact

Please don't hesitate to reach out for any questions or clarifications about the policy.
