

MINA Jaipur

At MINA Jaipur, we craft slow fashion jewellery that blends traditional enamelling with contemporary design. Founded in 2022, our mission is to empower women in rural Rajasthan through skill development and sustainable livelihoods. By eliminating intermediaries, we offer direct-to-consumer pricing without compromising on quality. Our commitment to ethical practices ensures that each piece tells a story of craftsmanship, community, and conscious luxury.

About us

MINA Jaipur is a demi-fine jewellery brand rooted in Jaipur's rich heritage. We believe jewellery should be personal, meaningful, and without limits. Our designs are handcrafted by skilled artisans, reflecting the city's traditional craftsmanship. With a focus on sustainability, we use recycled metals and lab-grown gemstones to create timeless pieces that resonate with modern sensibilities. At MINA, we celebrate individuality and the stories our jewellery tells.
