

# DAKTAR AI TECHNOLOGIES PTY LTD

Welcome to Daktar, where healthcare meets convenience for online doctor booking. We are a leading Telehealth platform for online doctor booking, dedicated to providing accessible, high-quality medical care to patients anytime, anywhere. Whether you're at home, at work, or on the go, our team of licensed doctors is book daktar online with just a click away.

# ABOUT OUR COMPANY

We created doktor online to reduce the distance not just the physical distance, but the emotional and system-driven gap between doctors and patients. In today's India, access to the right doctor at the right time can still feel uncertain. Patients lose precious hours waiting, traveling, and searching. Doctors lose precious energy managing schedules, answering repeated calls, and handling administrative work that takes them away from care.
