

# TINT EXPRESS CANADA

Tint Express began with a simple passion and a rented garage. Aditya, the founder, started by helping friends with car tinting and minor customizations. What began as a hobby soon turned into a full-fledged profession. With years of hands-on experience and a deep understanding of the industry, Aditya, along with his college friends, opened the first Tint Express studio in 2022.

Since then, Tint Express has grown rapidly, earning a reputation for quality, reliability, and customer satisfaction. Today, we proudly operate 4 Tint Express studios across the Greater Toronto Area (GTA) and we're just getting started.
