ABOUT US

NixWoods is a homegrown Indian brand making handcrafted wooden lights – floor lamps, pendant lights and wall sconces – from solid Rosewood (Sheesham) and Teak. Every piece is built by skilled Indian craftsmen, not mass produced. We sell exclusively online and ship free across India.

Nix Woods is a trusted manufacturer and supplier of premium wooden lighting solutions, specializing in handcrafted linear hanging lights and wooden ceiling lights. We combine modern design with natural materials to create elegant, durable, and sustainable lighting products that enhance homes, offices, hotels, and commercial spaces worldwide.
