

Higher Handicrafts

Higher Handicrafts is a hands-on cremation urn manufacturer based in Moradabad, India - the same city that's been making brass metalwork for over 400 years. Every Adult Urn, Pet Urn, Keepsake Urn, Wooden Urn, and Memorial Urn in our range is made at our own facility, by our own team, and shipped directly to funeral homes, wholesalers, and e-commerce brands around the world.

About us

Higher Handicrafts is a trusted manufacturer and exporter of premium handcrafted products, known for blending traditional artistry with modern craftsmanship. Established in 2008, the company specializes in cremation urns, keepsake urns, pet urns, metal handicrafts, and decorative home products crafted with precision and quality. With a skilled team, advanced infrastructure, and strict quality standards, Higher Handicrafts serves clients across the USA, UK, Australia, Canada, and other international markets. The company is committed to delivering elegant, durable, and uniquely designed handicraft products that reflect creativity, cultural heritage, and customer satisfaction while maintaining excellence in every stage of production.
