Custom Sliding Closet Doors

DESIGNED AROUND YOUR SPACE

Every closet is a different shape, so Flavia Sliding Doors builds every panel to order rather than trimming a stock size to fit. Frames, glass inserts and finishes are chosen to match the room, not the other way around.

- Made-to-measure panels for any opening width or height
- Choice of frosted glass, mirrored, or solid wood finishes
- Soft-close, whisper-quiet track hardware included
- Free in-home measuring and design consultation

Custom Sliding Doors for Closet

WALK-IN & REACH-IN SOLUTIONS

From a compact reach-in to a full walk-in dressing room, custom sliding doors for closet spaces recover floor area that swing doors waste and keep every shelf and drawer within reach.

- Bypass, bi-fold and pocket configurations available
- Panels sized to match existing shelving and drawers
- No swing radius needed — ideal for tight bedrooms
- Matched to existing millwork and wood tones on request

Toronto Closet Doors

LOCAL DESIGN, LOCAL INSTALLATION

As a Toronto closet doors specialist, Flavia Sliding Doors measures, builds and installs every order from our North York workshop, so timelines and finishes are handled in-house from the first visit to the final adjustment.

- Serving Toronto and the surrounding GTA
- In-house build shop at 3650 Weston Rd, North York
- Site visit, quote and install handled by one local team
- Warranty support without waiting on outside suppliers

Sliding Closet Doors Toronto

STYLES FOR EVERY HOME

Sliding closet doors Toronto homeowners choose most often pair a slim aluminum or wood frame with a track system rated for daily use, so the doors stay quiet and true for years, in condos and houses alike.

- Aluminum-frame, wood-frame and frameless options
- Fits condo suites, century homes and new builds
- Colour and hardware matched to your interior
- Toronto-wide scheduling with clear install timelines
