

Share Claimers

Share Claimers is a Chennai-based organization specializing in the recovery of unclaimed investments, including shares, dividends, and other financial assets. Founded in 2019, we assist individuals and families in reclaiming their rightful inheritance through expert legal and procedural support. With a deep understanding of IEPF processes and a track record of over ₹100 crores in recovered assets, we are committed to providing transparent, efficient, and client-focused services across India.

About us

Share Claimers is a trusted platform focused on helping individuals and businesses understand and manage their claim-related needs with greater ease. We provide clear guidance, practical support, and a customer-focused approach throughout the claim process. Our team values transparency, timely assistance, and simple communication, helping clients make informed decisions at every step. With a commitment to reliable service and professional support, Share Claimers aims to make the overall claim experience smoother, clearer, and more convenient for everyone.
