About us

Travel Minibus is a trusted UK-based taxi and minibus service providing safe, reliable, and affordable transportation for individuals, groups, and businesses. Since 2011, we have grown from a local taxi company in Batley to a nationwide transport provider, offering airport transfers, long-distance travel, executive transport, and group journeys. With professional drivers, a modern fleet, and an easy online booking system, we are committed to delivering comfortable, punctual, and customer-focused travel experiences across the UK.
