COMPANY PROFILE

Visit Coats Pharmacy in Coats, North Carolina for prescriptions, refills, medication management, immunizations, and friendly local pharmacy care.

ABOUT US

Since our founding in 1980, Coats Pharmacy has been a cornerstone of the North Carolina community. As a family-owned and operated independent pharmacy, we believe that healthcare is a personal journey, not just a transaction. For over four decades, we have dedicated ourselves to building lasting relationships based on clinical excellence and unwavering trust. Our independence allows us to focus entirely on you, providing everything from medication synchronization to vital immunizations with the care and attention only a local neighbor can provide.
