About Higher Handicrafts

Higher Handicrafts is a trusted **Cremation Urn Manufacturers India** partner, producing brass, aluminium and ceramic urns by hand for families and businesses who value craftsmanship over mass production. Every piece is shaped, finished and inspected in-house before it leaves the workshop.

The company works with skilled artisans across traditional metalworking hubs, combining time-tested techniques with modern finishing and quality checks — so every urn meets the same respectful standard, whether it's one piece or one thousand.

MADE IN INDIA

Cremation Urn Manufacturers India

Each urn passes through several skilled hands before it's ready — a process built on decades of traditional metal craft:

- Precision casting & metal shaping
- Hand engraving and detailed finishing
- Multiple protective plating options
- In-house quality inspection
- Brass, aluminium & ceramic materials
- Custom sizes, finishes & engravings
- Consistent quality across large orders
- Secure, protective packaging for transit

From single custom pieces to large production runs, the same careful hands and inspection standards apply to every batch.

Cremation Urn Distributor Support

Distributors need a supplier who's dependable, not just a source of stock. Higher Handicrafts builds that relationship around three things:

Reliable Stock Levels

A steady product range kept ready so distributor orders ship without delay.

Flexible Order Sizes

From trial orders to standing monthly supply agreements, scaled to demand.

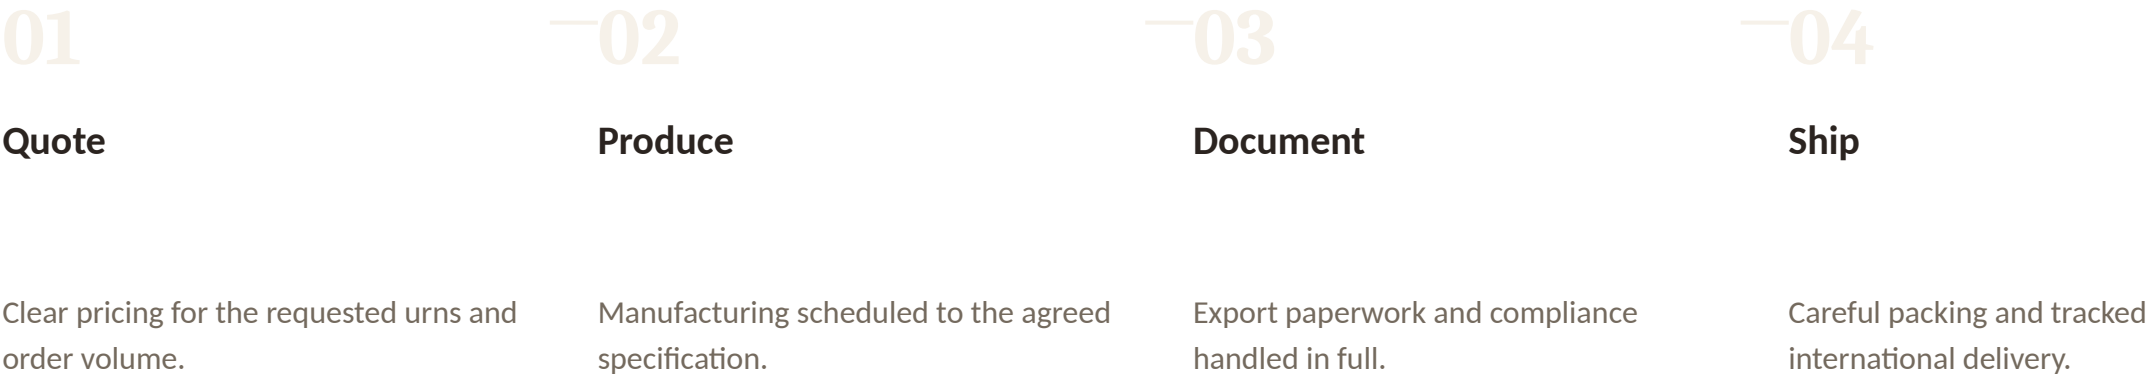

Dedicated Account Support

A direct point of contact for pricing, samples and repeat ordering.

Cremation Urn Exporter

Exporting a sensitive product means getting the details right, every time — from documentation to final delivery:

BULK ORDERING

Funeral Urn Wholesale

Funeral homes, retailers and online sellers can source across the full urn range at wholesale volume, with pricing that scales with order size:

Brass & Metal Urns

Ceramic & Glass Urns

Keepsake & Heart Urns

Custom Engraving

Mixed-Style Pallets
