MEET YOUR SURGEON

DR. PIERRE S. GORDON

AACS Fellowship Trained Cosmetic Surgeon. Board Certified by the ABOG.

Dr. Gordon is committed to ever continuous growth. After being in practice for a number of years, he decided to add onto his previous training, experience and knowledge of the body and surgical principles

by obtaining intensive fellowship training in cosmetic surgery at the Mandell-Brown Plastic Surgery Center, an American Academy of Cosmetic Surgery accredited program. At the end of his fellowship, Dr. Gordon had assisted and performed nearly 500 procedures with emphasis on body and facial cosmetic procedures. Dr Gordon also maintains his original certification every year as required by the American Board of Obstetrics and Gynecology. He has held a faculty position and continues to teach medical student and residents. Combining these two sets of skills, Cosmetic surgery and Gynecology, Dr Gordon is able to offer a blend of artistry and medicine, with a variety of services to provide more comprehensive care than is typically available. Dr Gordon is also able to reach his patients better as he speaks English, French, Spanish and Creole.
