

About Pepe Jeans India

Pepe Jeans India brings the London-born denim label to shoppers across the country through its online store at pepejeans.in. Denim is where the brand started, and it still shapes everything else: jackets, shirts and the everyday t-shirts that end up in most wardrobes. The customer care team works out of Lower Parel, Mumbai.

Round Neck T Shirts for Men

The round neck is the tee you reach for without thinking. The collar sits flat, so it looks tidy on its own, works under an open shirt and stays out of the way beneath a denim jacket. Pepe Jeans India offers round neck t-shirts for men in plain shades, prints and relaxed oversized cuts, so one neckline can cover a college day, a weekend market and a late dinner.

- Plain, printed and oversized styles
- Pairs with jeans, joggers and chinos
- Layers under jackets and shirts
- A simple base for any outfit

Half Sleeve T Shirts for Men

Warm days run through most of the year in India, and half sleeve tees are what most men actually wear. The sleeve stops above the elbow, so your arms stay free and cool. Pepe Jeans India has half sleeve t-shirts for men in solid colours and bold graphic prints, cut in regular and relaxed fits. Put one on with jeans and sneakers and you are ready to leave.

- **Graphic prints and solid colours**
- **Regular and relaxed fits**
- **Light and easy in the heat**
- **Effortless with jeans and sneakers**

Full Sleeve T Shirts for Men

A full sleeve tee fills the gap between a t-shirt and a jacket. It is what you want in a cold office, on a rainy evening or on a winter morning when a sweater feels like too much. Pepe Jeans India stocks full sleeve t-shirts for men in deep solid shades and textured knits. Wear one on its own with blue jeans, or slip a jacket over it when the temperature drops.

- Dark solids and textured knits
- Good for AC rooms, monsoon and winter
- Layers neatly under jackets
- Smart casual with jeans and white sneakers
