Website Introduction

Spiritual Path Travels is a Varanasi-based travel company, with its office in Sarnath, that plans pilgrim trips across Uttar Pradesh. The website lays out the Varanasi, Prayagraj and Ayodhya route in one place, so families and groups can see the journey, ask questions and plan it without chasing several agents.

Pilgrim journeys through Kashi, Prayag and Ayodhya

ayodhya varanasi prayagraj tour

Three of the most visited holy cities of Uttar Pradesh, joined into one trip. Begin with the Ganga ghats and temples of Varanasi, bathe at the Sangam in Prayagraj and finish with darshan in Ayodhya. Travelling in one connected plan saves you the work of arranging each leg separately.

A package takes care of the practical side: road transport between the cities, a hotel to return to and a driver who knows the routes. Evenings can include the Ganga aarti in Varanasi. Tell the team how many people are travelling and how many days you have, and the plan is shaped around that.
