Baby Food Products

Choosing baby food products in India often means reading a lot of fine print. Ours is short on purpose. Every Junior's Nutrition pack uses a handful of ingredients, skips added sugar, salt and preservatives, and carries 15 essential vitamins and minerals. Pick by taste: makhana kheer, rajgira raab, wheat apple, ragi almond or sathumavu.

- No added sugar, salt or preservatives
- 26 servings in every 250 g pack
- Made for babies from 6 months (check each pack)

Best Baby Food in India

The best baby food in India is the one your baby happily eats and you feel good serving. Look for short ingredient lists, whole grains and nothing a baby doesn't need. Our Wheat Apple Mix is just organic wheat, jaggery powder and apple. More than 20,000 parents already feed Junior's.

- Simple ingredients you can read
- Gluten free choice: Rajgira Raab
- Low glycemic index: Makhana Kheer
