

About Maviinci

Maviinci is a made-to-measure menswear brand from Blue Pearl Industries in Bhilai. You choose the cloth, set the fit and finish the small details online, and the garment is stitched to your own measurements. No standard sizes to settle for, just kurtas and Sadri jackets that sit the way you want them to.

Kurta for Men

A good kurta carries you from a morning puja to an evening wedding without a change of mood. Choose the fabric, collar, sleeve and length at Maviinci, and it is cut to your body, so the shoulders sit right and the hem falls clean. Wear it with white pyjama for festivals, or under a jacket when the occasion asks for more.

- ◆ Fabric, collar and sleeve of your choice
- ◆ Custom fit from your own size
- ◆ Pairs with pyjama, trousers or a jacket

Designer Kurta for Men

A designer kurta is all in the finishing: thread work across the yoke, a hand-beaded neckline, a collar edged with fine stitching. Maviinci keeps the cut clean and lets the detailing do the talking, in deep navy, soft grey and earthy shades. It suits a sangeet, an Eid dinner or a Diwali evening, and still looks right the next time.

- ◆ Embroidered yokes and detailed collars
- ◆ Weddings, festivals and receptions
- ◆ Personalised online, made for you

Nehru Jacket for Men

Throw a Nehru jacket over a plain kurta and the whole outfit changes. Also called a Sadri or bandi, it has a mandarin collar and no sleeves, so it adds structure without adding heat. Maviinci lets you personalise the cloth and fit, with touches like side buttoning and fine embroidery, for weddings, pujas and family functions.

- ◆ Mandarin collar, sleeveless cut
- ◆ Layers over any kurta
- ◆ Choose your cloth and fit
