Handcrafted Rajasthani grace

Gota Patti Saree

A gota patti saree carries the glitter of Rajasthani celebrations. Tiny pieces of gold and silver ribbon are folded and stitched onto the fabric by hand, forming flowers, vines and borders that catch the light with every step. It is a classic pick for weddings, festivals and family functions.

- Shimmering handwork inspired by Jaipur tradition
- Rich colours that photograph beautifully
- Elegant enough to pass down as a keepsake

Chiffon Gota Patti Saree

A chiffon gota patti saree pairs sheer, fluid fabric with sparkling ribbon work. It drapes softly, feels light through a long evening and lets the gold detailing take centre stage. Choose it for sangeet nights, receptions and festive dinners.

- Airy drape that stays comfortable for hours
- Delicate leaf and star motifs on a sheer base
- Pairs well with a brocade or silk blouse
