Scholarship

A scholarship takes some of the cost pressure off a family and rewards the student who put in the work. AIUGSEE runs a merit-based scheme, so your performance in the entrance test is what counts. Students can apply for one merit scheme and one or more welfare schemes, and the site covers the engineering, medical, arts and commerce routes.

Scholarship for Graduation

A scholarship for graduation helps at the point where costs jump. The AIUGSEE page ties the benefit to your percentile: ₹2 lakh a year at 100, ₹1 lakh a year from 98 to 99.99, and ₹50,000 a year from 95 to 97.99. Lower bands get one-time awards, and every participant receives a certificate. The test is 45 questions in 60 minutes.
