Vihang Group

Founded in 1989, Vihang Group has grown from a trusted real estate consultancy into one of Thane's leading real estate developers. With decades of experience, we specialize in creating premium residential and mixed-use developments that combine innovative design, quality construction, and modern living.

Introduction

Vihang Group is a renowned real estate developer in Thane, Maharashtra, dedicated to delivering exceptional residential and mixed-use developments. Since its inception in 1989, the company has built a strong reputation for excellence, innovation, and customer satisfaction. Our projects are designed to provide a perfect balance of modern architecture, sustainable development, and everyday convenience. With an unwavering focus on quality craftsmanship and timely delivery, we create homes and communities that inspire better living. At Vihang Group, our mission is to build more than just buildings—we create thoughtfully designed spaces that offer lasting value, comfort, and a vibrant lifestyle for generations to come.
