

Lämneå Bruk AB

A passion for service.

A passion for service.

Automatic Wire Machines

Set the recipe once and the machine holds it:

Automatic wire machines from Lämneå Bruk control tension, traverse and speed through every spool.

Fully Automatic Rewinding Line

A passion for service.

Fully Automatic Applications

Fewer operators per line, more spools per shift. Lämneå Bruk designs fully automatic applications for winding, spool changes and spool handling.

Fully Automatic Precision Layer
Winder 300

A passion for service.
