

Black Jack LLC

- Turns cremation ashes or hair into lab-grown memory diamonds
- Diamonds are grown with CVD technology in 11 to 42 days
- Set into rings, pendants, earrings and necklaces
- Also offers lab-grown diamond engagement and wedding rings

Cremation Wedding Rings

- Set in 14K white gold or 925 sterling silver
- Choose a memory diamond or a moissanite alternative
- 14K gold memory diamond rings carry IGI certification
- Every ring is made to order

Cremation Engagement Ring

- Solitaire styles built around one meaningful stone
- Oval, pear, marquise and heart cuts
- Center diamond grown from the carbon you provide
- No standard sizing, each piece is built for you

Cremation Wedding Bands

- More than 15 sterling silver band designs
- Curved bands and pavé bands for everyday wear
- Matching couple sets with diamonds from the same loved one
- Quiet, lasting, easy to wear every day

THANK YOU

Keep their love close, every day.
