Safari Wear

Safari wear is clothing built for open trails, dusty tracks and long hours outdoors. At Clawear, the safari wear collection brings together camo tees, neck gaiters and zip pullovers that look sharp in the wild and just as good back in the city.

- Earthy camo prints that blend with the landscape
- Lightweight, easy-to-move-in cuts for all-day comfort
- Unisex styles for solo trips, couples and groups

Clothes for Jungle Safari

Packing clothes for a jungle safari is about staying comfortable when the sun is strong and the air is dry or damp. Choose breathable layers in muted tones, add a neck gaiter against dust and wind, and keep a light pullover ready for cool mornings.

- Breathable tees for warm, active days
- Neck gaiters to shield from sun and dust
- Light zip layers for early drives and evenings

Jungle Safari Clothes

Good jungle safari clothes keep you quiet, comfortable and camera-ready. Soft camo tees in forest and grey shades, paired with sturdy black cargos, give you pockets for essentials and a look that fits every national park gate.

- Neutral colours that stay out of the way of wildlife
- Cargo-style utility with room for small essentials
- Easy to wash, quick to pack, ready for the next trip
