Fast Typing Speed Test

Know your real speed

Pick a short round, type the passage on screen, and get your words per minute and accuracy the moment the timer ends. You do not need an account to take a test.

- Rounds from 15 seconds up
- Live WPM while you type
- Every error is counted

Fast Fingers Game

Practice that feels like play

When plain passages get dull, switch to a game. Words drop down the screen and you clear them before they land, so speed improves without it feeling like homework.

- Falling words game
- Keyboard jump game
- Climb the leaderboard

Fast Finger English Typing

Build solid English typing habits

Practise with everyday English words and sentences, then add punctuation or numbers when you are ready. Lessons help you settle your fingers on the right keys.

- Words, sentences and paragraphs
- Punctuation and numbers on request
- Lessons for finger placement
